

## Rotan Comes Here To Battle Pipers In Season's Finale

Rotan's Yellowhammers are to furnish the opposition to the Pipers in the finale for the season at the Hamlin stadium tonight. The downtrodden Rotan club has just begun to find itself after a season which relegated to them the role of district doormat.

A clean sweep through graduation had robbed the club of all but one letterman and they have been forced to build from scratch. Natural nervousness of a green squad has resulted in a leaky defense which has permitted opponents to build up tremendous totals against them.

Unfortunate aspect from a Piper standpoint is the fact that a reversal has begun to take shape and the Yellowhammers have apparently begun to find themselves. Coaches Burditt, Townsend and Nunley have been striving mightily to defeat overconfidence in the Piper lineup in their last appearance for the 1950 season.

Indication of the improvement made in the Rotan attack is found in the fact that they held Merkel to a very narrow margin of victory. Halftime score in their Merkel game found the Yellowhammers leading 18-0.

Merkel came back to tally 25 points in the last half to preserve the victory.

Principal ball-carrying threats in the Rotan attack are Jimmy Don Hale and Cecil Weems. The line strength is said to be centered around Edward Velez and Pat Shipp.

Weems is the returning letterman on the squad.

A note of encouragement was sounded in the Piper camp when it became apparent that Don Rowland would be available for part-time play against the Yellowhammers. Rowland was not permitted to play at his end in the Colorado City game after he suffered a sprained ankle in training.

James Maberry was a training casualty when he sprained his ankle in workouts Tuesday.

## Eight From Hamlin At Methodist Conclave

Eight people from Hamlin attended the Abilene District Conference Monday in Baird along with representatives from about 30 or 40 other churches.

Rev. H. Clyde Smith, District Superintendent, of Abilene, presided. The group also heard addresses from other speakers and reports.

Those attending from Hamlin were: Dr. Will C. House, Mr. and Mrs. L. H. McBride, Mr. and Mrs. Ed Bailey, Mr. and Mrs. A. B. Carlton and Mrs. A. A. Hackley.

## Harvest Is Heavy In October for Cotton

Cotton harvesting in Jones County hit its peak in October according to a report received by The Herald from Bowen Pope, special agent for the department of commerce.

Pope's survey reveals that a 26,054 bale total was gained in the county for October which concentrated the principal portion of the harvest into one month.

Pope expressed the belief that further production from the 1950 crop would be very slight for the month of November and this will reflect little change in production figures for the season. He called attention to the fact that November harvest was very heavy in 1949.

The comparison figures released show that the 26,054 October harvest made a favorable stand against the 35,248 bales for the year 1949.

Clay Bailey has completed his aeronautics engineering course in Los Angeles and is visiting in the home of his parents, Mr. and Mrs. Clarence Bailey. Bailey will soon return to California and will possibly be employed by Consolidated at San Diego.

Our alphabet was introduced into Europe by the Phoenicians.

## Provision for Future Made Through Theft

Someone in the vicinity of the high school stadium Friday night is either anticipating or just took out insurance for the future.

Gus Dixon, faculty member, reported for duty among the ushers and ticket sellers for the big turnout and found that he was going to have to use his car for hauling supplies to the concession stands.

An attractively trimmed bassinet was in the car and Dixon unloaded it near the north gate to provide additional room.

The bassinet caused comment from spectators who wondered if a baby that small had been exposed to the bitter weather. Dixon forgot the item when he left the stadium at the conclusion of the game.

Supt. I. R. Hutchinson noticed the bassinet as he closed the gates for the night but decided that a worried parent would probably return for it during the night. So it was left.

Saturday morning it had disappeared.

## Lions Hear Speech On Communism By Doctor Woodruff

"How many of you know or have known a communist?"

With this query, Dr. J. R. Woodruff, Methodist minister and professor of philosophy and religion at McMurry College, opened his talk to the members of the Hamlin Lions Club at their Tuesday session.

Dr. Woodruff told the club of his experiences while in Scotland where he set out to learn what constituted communism and attended many gatherings in his efforts to learn of this doctrine.

It is his opinion that the belief is a religion rather than apolitical affiliation and his description of the fervor with which workers in the party approach their tasks led his listeners to agree with his opinion.

Doctor Woodruff told of the organized manner in which the party recruits new members and told of the fluent speakers who are carefully trained in their work of member procurement. He made a comparison of a rally he attended with a Youth for Christ meeting and told of the heavier communistic response.

The fanatical conduct of the communistic converts encountered by our troops in Korea were listed as proof that only a religious attitude could induce such fervor.

So absorbing was Woodruff's address that the club membership regretted the passage of the time allotted to him and expressed a desire to hear him in greater detail.

Walter Chalcraft was surprised with a mock birthday gift from the club, the occasion of which had been learned through grapevine sources.

O. G. (Keg) Harvey, longtime resident as a Shell employee was a guest. Harvey had recently become a member of the Crosby club, site of his present employment.

## High School Selects All-Around Favorites

A student activity of the week at Hamlin High School led to the selection of Oleta Kite and W. L. Fletcher as all-around favorites. Both are Seniors at the high school.

Miss Kite and Fletcher were among nominees for the honor as named by the student body and final selection of the pair was made by a faculty board.

## Nazarene Official To Speak Here Monday

Rev. Orville Jenkins of Plainview, District Superintendent of Church of the Nazarene of the Abilene District will speak at the local Nazarene Church next Monday night, November 20, according to an announcement from Rev. Howard Smith, local pastor.

Rev. Jenkins is to be in the church in behalf of home missions and all people are invited to attend.

## Willoughby Talks To Rotarians About Our Nideous Age

Hamlin Rotarians at their regular Wednesday noon luncheon heard District Attorney John Willoughby of Abilene in a talk on the "hideous age we are now living in."

He stated the present age as "a hideous age in history because of the ideologies of Communism and Democracy." The "darkness of the world" he said was caused by pure ignorance of other countries, such as China, India, France, Sweden, Germany, Philippines and others. "The zealous are on the sides of Russia it seems now in the Korean situation," he stated, and continued, that the UN members should put up a proportionate share of manpower if they could not furnish arms, etc. To right these faults now partially is to "crusade for Democracy and spread the truth among peoples of the world."

There was one visitor from Abilene, three from Sweetwater and Buck Denton of Stamford a guest of Eddie Jay; O. G. Harvey of Crosbytown was a guest of Elmer Feagan.

## Ministerial Alliance To Have Thanksgiving Union Services Here

Union Thanksgiving Services, an annual affair of the Ministerial Alliance, will be held this year at the Church of the Nazarene, Wednesday night, November 22, according to an announcement to The Herald.

Rev. A. R. Posey, pastor of the First Baptist Church, will deliver the preaching services.

Dr. Will C. House, pastor of the First Methodist Church will be in charge of the song services.

A cordial invitation to all people to attend, is extended by the Alliance.

## Senior Group Sees Dallas Grid Game

Don Rowland, Billy Sutherland, W. T. Stapler, Asa Goodgame, Sugar Green, Donald Armstrong, Jerry Carr and Garland Fletcher, Senior members of the Hamlin Pied Piper football team, were guests of Hamlin business men at the S. M. U. - Texas A. & M. game last Saturday in Dallas.

Clyde Angel and Bob Nunley furnished transportation for the boys to take them to the feature ball game in the nation. Tickets to the game had been furnished as a cooperative offering from Tate May, Ted Russell, Clyde Angel, Elmer Feagan, Joe Culbertson, Art Carmichael, and Dickie Ferguson.

The boys were awed by the exhibition of power running put on by A. & M.'s Bob Smith and the swivel hipped action of Kyle Rote.

W. T. Stapler returned from the game undaunted in his desire to face such competition across a Southwest conference line. Stapler is the object of attention from athletic departments of various schools.

## Deer Hunting Parties Leave for Opening

Frenzied activity marked the trails of Stan and Art Carmichael, E. J. Whaley, Dickie Ferguson, and W. C. (Ted) Russell Tuesday and Wednesday as they prepared to leave for their Mason County deer hunt.

The party was preceded to the Bode ranch in Mason County by Arizona Paige, negro handyman who will cook for the group.

Holly Toler and Holly Pardue Toler joined Arche Pardue and Arche Pardue, Jr., Stamford, for their annual trek into Mason area on their deer hunt. They were joined by John Womble, Abilene, and Merlin Toler and Bill Sheridan of Sweetwater.

Holly Pardue Toler is fast demonstrating his superiority over his dad as a nimrod.

Warren G. Harding was the first president to ride to this inaugural in an automobile.

## Frank Dean Struck By Car on Central

Frank Dean, an employee of the Producers Gin, was injured last Thursday evening at 7:30 when hit near the Howard Grocery by a car driven by A. R. Vesels of Snyder.

Vessels was driving a 1950 car south on Central Avenue when he reported that Dean darted into the path of his car. A brisk wind had started to blow and statements were that Dean had ducked his head against this wind to obscure his vision.

Dean was taken to the Hamlin Memorial Hospital for examination of his injuries. It was discovered that his leg was broken to such an extent that the bone protruded through the skin and he was sent to Abilene for treatment from a bone specialist.

Vessels cooperated in every possible way in obtaining treatment for the man and assumed his hospital expense according to reports received here.

## McMurry Finale To Be Valedictory For Jones County Boys

"The Jones County Boys" will set considerable service as the McMurry Indians of Abilene play their season's finale against Southwestern University Pirates there tonight (Friday).

In the group are: Floyd Sampson of Anson, fullback; Gordon Beck of Anson, wingback; George Owens of Anson, end and Brad Rowland of Hamlin, halfback and Doyle Dean of Hamlin, quarterback.

This will be the final game for Sampson, Rowland and Dean of their collegiate careers. Their play together has written one of the brightest chapters in the college's grid history.

Rowland led the ball carriers last week against Howard Payne with 93 yards and also passed to Owens for a TD.

Dean was outstanding in his handoffs, passing—including a 77 yard aerial play good for a touchdown.

## High School Assembly Hears Girls Ensemble

A general assembly held Tuesday afternoon with W. L. Fletcher presiding, heard the girls ensemble from the First Baptist Church as an entertainment feature.

Miss Georgia Mallory, a faculty member, offered the devotional, and Garland Fletcher closed the meeting with prayer.

## Coaches of District To Gather at Roby Meet

Hamlin High School coaches are to attend a Monday night meeting to be held at the Silver Spur at Roby. All coaches in the district will attend and a district champion will be officially named.

No official program has been announced but it is assumed that an all-district football team will be selected at the meeting.

Selection of this team is made through nominations from each coach and a point system determines the final naming.

## Father of Mrs. George Malouf Passes at Spur

Gabriel Malouf, father of Mrs. George Malouf, collapsed and died Sunday at Spur with no warning of an impending attack.

Mr. Malouf had been a very robust man and gave no indication of failing health other than minor complaints. He was found Sunday with his head resting on his arm in indication of a peaceful passing.

George Malouf had made a business trip to Dallas and was notified there of the attack to his father-in-law. Mrs. Malouf was driven to Spur by Mr. and Mrs. Clyde Huff and Malouf went direct to Spur from Dallas.

Gabriel Malouf had been a pioneer merchant in Spur and his store had been one of the principal establishments there. He had retired a few years ago to rest from an active business life.

Woodrow Wilson issued the first Mother's Day proclamation.

## Minstrel Presented By Lions Is Judged Howling Success

Professional entertainers need entertain no fears of competition from Hamlin thespians as a result of the Lions Minstrel staged last night at the high school auditorium. From the standpoint of hilarity, however, it was beyond compare.

Miss Lanelle Sullivan had labored long to polish any latent talent that might be available in the club membership and any success that resulted was directly traced to her efforts. About all the club had to offer was effort with a smattering of ability here and there.

Despite the lack of histrionic ability the audience was treated to a spectacle that brought them some surprises and some ridiculous antics.

Walter Chalcraft directed the musical portion of the program and although volume substituted for tonal quality in many of the numbers, the result was satisfactory.

The program as rendered was featured in the minstrel by Delma Shelburne as Interlocutor; Arlie Cassie, as Mr. Gimme, an end man; E. V. Newberry, as Mr. Hokus, an end man; Harry Carmichael, Mr. Inkspott; Claude Lancaster, Mr. Klinker and Henry Allbritton as Mr. Tambo, a wandering end man.

So parts in leading the chorus were sung by Harry Carmichael, Nig Stringer, Harold Eades, Herman McBride.

Walter Chalcraft sang "Old Black Joe" as a solo rendition. After an intermission an olio or vaudeville interval brought the musical trio composed of A. R. Posey, Stringer and Chalcraft to the footlights.

They were followed by Clarence Bailey in a monologue and then Bill Shira and Junior Haught offered a talking act.

"Butterball" Burditt and "Meatball" Chalcraft rang down the curtain with a specialty act.

Final event on the program was the afterpiece in which Stringer, Joe McCrary, Bro Spencer, Travis Hash, Jim King, Harold Eades, Doyle Blackford and Harold Bonner.

Mrs. Joe McCrary was forced to execute a number of piano gymnastics in accompanying for the program.

## Two-Day Holiday Set For Thanksgiving In Local School System

Thursday and Friday, November 23 and 24, will be observed as a two-day holiday for the Hamlin school system in recognition of Thanksgiving.

The usual confusion that results from holiday juggling confronts members of the faculty who desire to see their schools perform at football on the November 30 setting.

## Ellenburger Locations Feature Oil Activities

Oil activity in this section of Jones County took on an Ellenburger complexion early this week.

Location was made by General Crude Oil Company for their Thos. Ferguson Number 2, which is to be an Ellenburger test.

Texas Pacific Coal and Oil has staked their R. J. Robertson well which is also to be an Ellenburger try. This location is about four miles northwest of Hamlin.

Moutray-Moore and Austin Poe have staked a location for a Swastika try on the old John Sharp place which is now held by Tarleton Willingham.

J. W. Baldwin, et al, of Wichita Falls are to dig a shallow well on the J. M. Alexander properties in the Lueders vicinity. Depth is to be 2,200 feet.

Warren Petroleum Company had reached a 4,400 foot depth on their Bill Matchett well near the south city limits with no commercial show of oil. Operators will probably aserch for the Starwin as their next possible production.

Bridwell Oil Company has drilled to 4,690 on their J. M. Alexander Number 1 which is just off the Aspermont highway north of Hamlin.

# Colorado City Douses Piper Grid Victory Skein

The Hamlin Pied Pipers made a valiant stand against a superior foe last Friday night at the Hamlin stadium before going down to defeat from the Colorado City Wolves by a 14-7 score.

Doped as an 18 to 21 point underdog in pregame estimates of strength, the Pipers went into the fray with a determination not to recognize that superiority and carried the fight to their conquerors of last year. A frigid weather condition made tricky ball handling difficult and a hard-charging Piper defense recovered three Colorado City fumbles in the first quarter to keep the ball in striking distance of the Colorado City goal.

Despite a 20-pound weight advantage to the man, the Wolves could not keep out the charging Pipers and were faced to make a goal line stand on their own two yard line midway in the first quarter. Sugar Green had carried the oval to that point on a 20-yard run immediately after he had been spilled for a five-yard loss. Here the Colorado City defense stiffened and yielded not an inch on three thrusts at their line. George Swann, Wolves right end gave a preview of what was to come when he collaborated with Gene Carney to break up a pass play that was tagged for a touchdown.

Taking the ball on downs, the Wolves started out from danger only to fumble again on their own 12. Two plays later Don Gregory failed to get his hands on the ball and Colorado City took over on a fumble which laced the ball on their 25. A first down followed for the Wolves and then Hamlin pounced on another fumble which squirted from the hands of Nathan Corbell, split-T quarterback of the Wolves. Then Swann dashed in to intercept a pass from Billy Sutherland to Asa Goodgame and another Piper threat was thwarted.

Gene Carner, wearing a big 65 on his jersey brought the first attention to his power when he uncorked a world of drive to carry the pigskin for an 18-yard pickup. Then Corbell hit Doyle Harmon with a pretty pass that spotted the ball on the Hamlin 35 for the first Colorado City advance into Hamlin territory. This play ended the first quarter.

Execution of this pass loosened up the Hamlin defense and Garner began his mighty surges into the middle to chalk up a pair of first downs. The secondary drew in to stop these surges and then Corbell pitched out to the same Garner for a 12-yard skirt of his right end for a tally. Corbell kicked the point and Hamlin was trailing 7-0.

Then Asa Goodgame pounced on a fumble to give Hamlin the ball on their own 32. After a six yard pickup by Sugar Green one of the peculiar plays of the game occurred when the ball squirted from the hands of a Hamlin back

Colorado City kicked off to the Hamlin 14 where Sugar Green gathered it in and returned to his own 45. Sutherland astounded a capacity crowd with a nine-yard pickup in one of the few ball-carrying efforts he has made this season and the Pipers were on their way. A viciously charging forward wall administered a thorough whipping to the Wolves in that big line. Holes opened to permit Green, Gregory and Tuffy Ford to pick up yardage at will to stack up three successive first downs to the Colorado City 13.

It was then that Don Gregory took a nicely executed handoff from Billy Sutherland and started a trek around the Wolves right end. Beautiful blocking cleared him through the secondary and then Ronald Armstrong threw a block into Nathan Corbell on the goal line that permitted Gregory to score. With pressure heavy on his shoulders, W. T. Stapler never faltered and booted the conversion point that tied the ball game at 7-7.

Stapler kicked off to Gene Carney on the Colorado City seven from which point he returned to his own 27. Garner chimed in with a 19-yard advance and it began to appear that the Wolves were on the march again. Corbell combined two passes to offset five-yard penalties and Colorado City advanced to the Hamlin nine yard line before the alert Pied Pipers pounced on another Colorado City fumble to nullify the advance.

With time running out in the half, the Pipers started a series of ground plays that would consume the remaining time and had chalked up a first down on their own 23 as the half ended.

It was a worried band of warriors for the Wolves that left the gridiron at the intermission.

Opening of the second half saw Stapler kicking off for Hamlin to the Colorado City 10-yard line to permit a 20-yard return. After a determined stand against assaults through the line, Corbell, fleet as any back seen on the local gridiron, got loose for one of his specialty runs for about 34 yards. This boy had been accustomed to getting away for touchdowns in each of the Wolves games this season but the Pipers had perfected a defense against him and ends Goodgame and Hargrove were aided by Robert Fletcher and Garland Fletcher to throttle him all during the game.

Then Asa Goodgame pounced on a fumble to give Hamlin the ball on their own 32. After a six yard pickup by Sugar Green one of the peculiar plays of the game occurred when the ball squirted from the hands of a Hamlin back

and rolled forward from the point of fumble. Recovery by Hamlin netted a first down with yards to spare. Then the Wolves braced and Gregory kicked to Corbell on the Colorado City eight yard line. Corbell was held to a seven yard return. An exchange of punts put the ball on the Colorado City 20. Two plays later another of those Colorado City fumbles went to the alert Pipers and then worried band of Wolves formed to protect their goal line again. Sugar Green got away to the seven-yard line to gain a first down with goal to go as the quarter ended.

Three plays later fortune smiled on the Wolves when Sutherland fumbled as he slashed into the line after the Piper attack had stalled. Then the march began. Garner, Carney and Corbell combined in an all-out assault on the Piper forward wall that began to eat up yardage.

Swann chipped in with a 14-yard pass catch and then Garner started again. The Wolves advance simply would not be denied as they gathered around Garner as a screen until he had gained momentum and he would dig for additional yardage after he had been tackled.

Such deadly tacklers as Sutherland, Stapler, Armstrong and Carr could not halt the advance without yielding yardage. Garner finally crossed the pay-off stripe from four yards out and another tally was marked up to the credit of the Wolves.

Corbell booted for the extra point and for the first time in the ball game the Colorado City fans breathed easily with a 14-7 lead.

With short minutes left in the game, Colorado City elected to kick short rather than risk a long runback from a fleet Piper back. Hamlin 45 and the Wolves refused to yield beyond the 50. The ball this put the ball in play on the went over at this point and Hamlin returned the compliment by taking over on their own 29 yard line. Closing minute passes netted two completions that advanced to the Colorado City 38 and there the ball game ended.

Consensus of opinion was that the Pipers had played a better ball game than they were capable of and they were the pride of their supporters as the curtain fell on their title chances for the season.

To have waged so glorious a battle was a tribute to their courage and the fundamentals which had been drilled into them by Coaches Burditt and Townsend.

**SCHOOL REACHES INTO THE HOME**—Thanks to a telephone transmitter-receiver on the desk of Miss Ventura, third grade teacher at Central School, Euclid, O., students, at left, can hear the recitations of a fellow pupil several blocks away. The child who is heard and not seen is 10-year-old Ann Odiorne, at right, crippled and confined to a wheel chair by rheumatoid arthritis. The telephone set-up, which will soon be installed for other shut-ins in the area, keeps Ann in touch with children her own age and costs her mother, at right, only 50 cents a day.

## BIBLE COMMENT

### Worry Can Only Be Banished by Attaining Faith

WHAT sort of life is ours going to be?  
To those constantly tormented by this question, I should like to point out that no life can be strong that is marked by doubt, distrust and incessant worry.

Yet faith is not always easy and we would be less than human if we did not worry when things go wrong. The attainment of deep abiding faith is no small accomplishment. Without spiritual strength, undesirable situations are apt to depress and conquer us.

The teachings and life of Jesus offer us a means of meeting life's problems cheerfully. According to Jesus, our life will be what we make it. Love will make rough roads smoother. Humility will increase our stature. Charity will provide us with an opportunity to learn, through aiding others in the solution of their problems, more about meeting our own misfortunes.

We must take these teachings of Jesus to heart if we are to learn to live above worry. And we must also put these teachings into action.

Compare the lives of the many church members who go to church when they feel like it with the life of the real Christian who has made the service of God and his fellow-men the supreme thing in his life and not a matter dependent upon mood, whim and convenience.

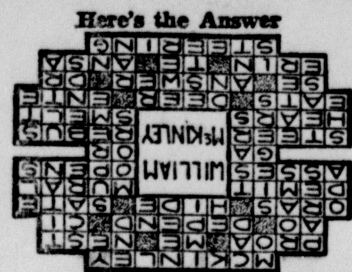

Every age and situation needs those who will serve and love. And only those whose beliefs take concrete form in action, such as churchgoing, will find themselves equipped to meet the challenge of everyday life with faith, strength and an unshakable belief in God.

Baseball's National was founded in 1876.

**"CAN WE MAKE ENOUGH OF THEM?"**  
Never in our history has there been such demand as we have experienced for the Mid-Century ROYAL MASTER and the new U. S. NYLON LIFE-TUBE!  
People have asked us whether we'll be able to make enough of them to go around.  
The answer is—we have never been able to make enough of them. They have been "selling out" as fast as we could make them.  
Of one thing you may be sure—we will make all of them we can in keeping with all official limits on rubber supply.  
OUR BEST ADVICE WOULD BE—keep in close touch with your own neighborhood U. S. Royal Dealer. He will do his utmost to give you these exclusive Master and Life-Tube qualities—never known or possible before.  
He will see you safely and comfortably through the months and years ahead and we, of course, will do our utmost to help him.

# 200,000 freshmen can't be wrong!

We believe that something has happened in 1950 that you should take to heart.  
*Ever since this year's Buicks were introduced, their big bulge in sales has come from people who traded other makes of cars for this bounteous beauty.*

The total is more than 200,000.  
That's 200,000 "freshmen" added to the roll call of Buick owners—200,000 people who must have sized up the current version of the cars they owned, and decided that Buick offered more thrill, more comfort, more satisfaction for the money.  
Beyond that, of course, there were other hundreds of thousands who already owned a Buick and bought a new one this year. But we're speaking here of new owners only.

We can name many reasons for this landslide—including Fireball power—an incomparable ride—and Dynaflow Drive.\*

We can remind you that the Buick SPECIAL, SUPER and ROADMASTER just about blanket the range of a car-owner's aspirations—matching prices with many sixes in the lower brackets—matching distinction with the finest in the fine-car field.

We might add that Buick prices are doubly attractive—since their list prices include many features customarily on the "extra" list.

But why try to spell out all the reasons Buick wins in a showdown? The proof of the pudding is in this great car itself. Better come in—look it over—and find out what an unbeatable buy it is.

\*Standard on ROADMASTER, optional at extra cost on SUPER and SPECIAL models.

**Dr. George Cox Elected To Eighth Term As Texas State Health Officer by Board**

Texas State Board of Health has elected Dr. George W. Cox of Austin to his eighth consecutive two-year term as the state health officer according to a report received by The Herald early this week.

Vote of the nine member board was unanimous in favor of keeping Dr. Cox in the post he has held since 1936, the longest tenure in the 701odd year history of the State Department of Health.

Dr. Cox has aligned himself with the public health movement in Texas throughout his professional career. He is a former member of the State Board of

tenure as head includes:

A reduction of typhoid fever death rates of 97 per cent; a 96 per cent cut in malaria mortality; 43 per cent reduction in syphilis death tolls.

The common diseases of childhood—scarlet fever, whooping cough, diphtheria and measles—have been so sharply curtailed that last year the combined death rate from these four causes was less than one-third that of diphtheria alone 15 years ago. Influenza and pneumonia deaths have also fallen off sharply since 1937.

A 500 per cent increase in the number of local health units has been established.

**Nurse Tells How Hadacol Was So Helpful To Her**

Supplied Vitamins B<sub>1</sub>, B<sub>2</sub>, Iron and Niacin Which Her System Lacked

—elements so vital to help maintain good health and physical fitness.

Why These Vitamins and Minerals Come In Liquid Form

There's a very good reason why HADACOL comes in special liquid form. These precious Vitamins and Minerals are more easily and quickly absorbed into the blood stream this way—ready to go right to work. A big improvement is often noticed within a few days.

Don't Be A 'Doubting Thomas'

After reading Mrs. Adele's wonderful experience with HADACOL—how can you doubt that this great new nutritional formula will help you if your system lacks Vitamins B<sub>1</sub>, B<sub>2</sub>, Iron, and Niacin?

What HADACOL did for Mrs. Adele, it can do for you if you're troubled with aches and pains in the shoulders, legs, and arms, certain nervous disturbances, insomnia when due to an upset stomach, stomach distress and a general run-down weakened condition due to such deficiencies.

So what are you waiting for? Don't you see that HADACOL is the kind of product you need—the kind you should buy and the kind you should start taking immediately!

Sold On A Strict Money-Back Guarantee

HADACOL even helps build up the hemoglobin content of your blood (when Iron is needed) to course through your body, carrying these great health-building elements to every body organ. No wonder HADACOL helps you feel wonderful.

Be fair to yourself! Give yourself a break if you have such deficiencies! Why continue to drag yourself around—a burden to yourself and your family—when relief may be as close at hand as your nearest drugstore if you suffer a deficiency of Vitamins B<sub>1</sub>, B<sub>2</sub>, Niacin and Iron. This great HADACOL is inexpensive, too—costs only a small amount a day. Trial size, only \$1.25. Large family or hospital size, \$3.50. If your druggist does not have HADACOL, order it direct from The LeBlanc Corporation, Lafayette, Louisiana.

## Home Repair Up In Paul Bryan Report

Volume of home repair and improvement probably will set a new record locally during the next year, judging by numerous inquiries received from home owners according to Paul Bryan, dealer and member of the Public Affairs Committee of the National Retail Lumber Dealers Association.

"Although the Federal government is attempting to reduce the housing construction sharply to conserve materials for the rearmament program, the only emergency restriction on residential maintenance and modernization is the requirement that in most cases owners must make a down payment of at least 10 per cent and must pay the balance within 30 months," Mr. Bryan said.

"Federal officials obviously realize that the existing supply of homes in Hamlin and elsewhere must be kept in good livable condition if housing standards are to be maintained during the period when new residential building is being curtailed.

"Some types of plumbing and electrical work may be delayed by plans to reduce the supply of strategic metals available for non defense use, but there should be plenty of other materials, such as lumber, roofing, flooring, wall-board and cement to permit a large amount of repair and modernization work to go ahead here in the coming months.

"Local home owners who inquire about improvements to their dwellings are showing special interest in repairing or replacing roofs, installing insulation, finishing extra rooms, building or enlarging garages, and remodeling kitchens and bathrooms."

Prunes, we know, are good for us, and make particularly fitting fare for small fry. Besides, they're plentiful and economical. And even this elegant chiffon pie is economical, for it's one of the delicacies so easy to concoct with the new gel-cookery methods utilizing unflavored gelatine.

A good and glamorous selection for an autumn dinner dessert, it's one that will tax neither your time nor your funds.

**Prune Chiffon Pie**  
1 envelope unflavored gelatine 1 tablespoon flour  
1/2 cup water 3/4 cup cooked prune liquid  
1/2 cup sugar 2 tablespoons lemon juice  
1/4 teaspoon salt 3/4 cup chopped, cooked prunes  
2/3 cup icy cold evaporated milk  
Soften gelatine in water. Mix together sugar, salt and flour in saucepan; add prune liquid. Cook, stirring constantly until mixture thickens. Remove from heat; add gelatine, stir until dissolved. Add lemon juice. Chill until slightly thicker than unbeaten egg white. Beat with rotary egg beater until fluffy. Stir in chopped prunes. Whip evaporated milk. Fold gelatine into whipped milk. Turn into 9-inch baked pie shell. If desired garnish with whipped cream and pieces of prune. YIELD: 1 9-inch pie.

## SECTIONAL FURNITURE SAVES LIVING SPACE

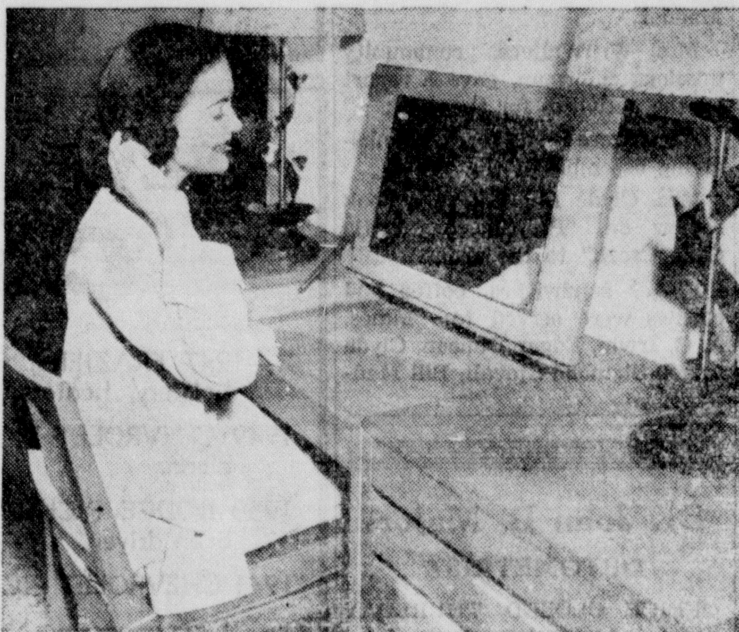

If your living quarters are so crowded that you've begun to think of having enough space in the same way you dream of acquiring a million dollars, here perhaps is an answer to your problem.

Cut down on the amount of furniture you try to jam into your dwelling.

This sounds, on the surface, easier said than done. A certain number of furnishings are essential to daily living, no matter how much you may try to pare your belongings to a minimum.

The answer lies not in elimination, but in combination. By creating furniture that can serve dual purposes, modern designers have made it possible for even one-room apartments to look attractive and uncluttered.

If your living room must serve as your bedroom, too, there's a versatile desk-

Versatile furnishings are the spice of one-room living. This mirrored vanity swings down into desk. L-shaped section of room serves as a bedroom by night and a den by day. All furnishings are white oak with driftwood finish, part of a new 64-piece group by Sligh of Grand Rapids, Mich.

dressing table which may give your home a lift in both efficiency and beauty.

The center section of the desk top lifts up to reveal a mirrored vanity section. When the lid is closed, the clutter of cosmetic needs is tidily concealed.

Another versatile piece is a drop-leaf table with drawers that fill the space, usually wasted, between table top and floor. Here table linens or other items may be conveniently stored.

Flexible seating arrangements are also a good idea for a crowded home or apartment. The trend is away from big, cumbersome divans that consume many precious, hard-to-spare feet. Now sectional pieces are available which may be pushed together to form sofas, or separated to use as individual chairs.

## Evagene Williams Is Tommy Wilson's Bride

Evagene Williams, daughter of Mr. and Mrs. E. S. Williams of Sylvester, became the bride of Tommy Wilson, son of Mr. and Mrs. H. E. Wilson of Roby, Wednesday evening, November 1, at the home of Rev. A. D. Smith of Sweetwater.

Coe sister, of the bridegroom, was the bride's only attendant. Best man was Buster Palmer of Roby.

Bride wore a brown suit with

matching accessories, her corsage was of white carnations.

## Advantages of Membership in Camp Fire Girls Stressed as Membership Drive Nears End

Camp Fire Girls in Hamlin are conducting their annual Membership March from September 15 through November 30.

There is a place for everyone in the Camp Fire family. Mothers and fathers as well as daughters can benefit from membership in this great national youth serving organization which offers fun and fellowship and high ideals.

Activities of the local girls are legion. Their ages range from seven to 18, have wholeheartedly participated in every worthwhile civic and community drive. They

have given service to hospitals, children's homes, sold poppies for the American Legion and given service to homes for the aged.

During the current Membership March another great civic activity has been added to their projects. The young people are concentrating on safety—on wheels, at home and in the streets. They wish other girls to join them in carrying out the theme of the campaign—"Camp Fire for a happy life—safety for a long one!" But as more girls join the girls, more leaders will have to be added to the roster. What better

## Friendship HD Club Meets in Brown Home

Friendship Home Demonstration Club met in the home of Mrs. H. E. Brown Friday.

Mrs. J. E. Johnson, president was in charge of the business meeting. Plans were made for a Christmas Dinner Party for all club members and their families.

Two new members were welcomed into the club. They were: Mmes. W. A. Carens and C. N. Spivey.

The making of aluminum trays was the program of the day. A total of 11 trays were made.

Refreshments of coffee and cake were served by Mrs. Edd Rodgers to the following: Mmes. James Brown, Jack Collins, John Hix, Elbert Fomby, Cecil Brown, Harry Gardner, Roy Brown, Homer Neal, Grady Smith, M. S. Johnson, H. E. Brown, T. W. Flenniken, W. A. Carens, C. N. Spivey.

way for women to keep pace with youth than to enlist in the organization as volunteer leaders? And in order to round out the family picture men also may participate as group sponsors, lending their sage advice and occasionally their helping hands in transporting groups or fixing up the summer camp or overnight shack. So from September 15 thru November 30 let us all help the girls reach their goals of more girl members and additional leaders and sponsors.

## Y-6 Ranch Report on Conservation As Cooperative Work With Clear Fork Body

"We are now producing more beef from fewer mother cows," stated Elbert Payne, foreman of the Y6 Ranch located five miles northwest of Hamlin.

The ranch owner, Mrs. Fay Young Morton, and her foreman placed the ranch under agreement and are cooperating with the Upper Clear Fork Soil Conservation District.

The Y6 is known for its production of commercial and registered Herefords.

In 1947, Payne sold off about 50 per cent of the livestock at

which time most of the range land was in poor condition, according to a report of a technician of the Soil Conservation Service.

In describing some deep hardland areas, he said, "there was nothing here except Tobasa grass and bare ground. Now there is a thick turf of curly mesquite and buffalo grass crowding the toba-

sa. There is also scattered plants of blue gramma and sidecoats gramma that were not noticeable before livestock numbers were reduced."

"Very shallow soil areas have not turfed over as much as the deep hardland and there is a lot of sidecoats gamma, however scattered through the sites. There places won't do much until enough grass is here to hold the water when it rains," he continued.

He explained that by running fewer mother cows, they are producing more grass. This he continued, "requires less winter feeding and less labor and produces larger and more thrifty calves than before, and a thrifty calf will bring more money per pound."

Largest pasture on the ranch has stock water near both ends. They are about two miles apart and when the south part of it has been grazed sufficiently he simply moves the salt and cuts on the water at the north end, thereby forcing the cattle to graze the north portion.

They have continued to keep livestock numbers down to about 25 animal units per section since 1947. He deferred two pastures during the growing season this year to continue the range improvement program.

There are approximately 456,000 words in the English language.

## Mrs. Jim Payne, 71 Buried Sunday In Sweetwater Rites

Mrs. James R. Payne, 71, a former resident of McCaulley, of Sweetwater died in a Sweetwater hospital Saturday at 11:50 a. m. after an illness of two weeks.

Mrs. Payne was born February 18, 1879 in Cherokee County and moved to Fisher County with her parents, Mr. and Mrs. T. J. Ault when she was a child. They settled near McCaulley. She married February 18, 1900 to J. R. Payne and moved to Divide, where they have lived for 50 years. The couple celebrated their golden wedding anniversary on her 71st birthday.

Funeral services were conducted Sunday at 3:00 p. m. at the Nolan Baptist Church by Rev. Buren L. Higdon, pastor, assisted by Rev. Willie Howell of Abilene. Interment was in the Nolan Cemetery under direction of Cate Spencer Funeral Home of Sweetwater in charge of arrangements.

Survivors other than Mr. Payne are six children; Wilburn of Divide, Grady of Winters, Mrs.

Bill Burke of Sweetwater, Albert of Lubbock, J. R. Jr. of Winters, Billy Joe of Nolan; three brothers, Cleve Ault of Baird, Tom of San Angelo, and Luther of Sweetwater; four sisters, Mrs. W. L. Payne of San Angelo, Mrs. Arch Craver of Sweetwater, Mrs. G. M. C. Massey of San Angelo and Ona Barton of Midland; six grandchildren and one great grandchild.

### Vernon Townsend At Rule for Wedding of Brother Last Week

Vernon Townsend, assistant coach of the Hamlin Pied Pipers went to Rule last Thursday to officiate as best man at the wedding of his brother, Henry Townsend.

This event united Townsend, assistant cashier of the Farmers National Bank of Rule, to Miss Wanda Smith, a fellow-employee in the bank.

Henry Townsend is a reserve captain in the naval air corps.

### Elementary School To Hold December Show

Announcement was made to The Herald early this week that the Elementary School Carnival will be held Saturday night, December 2 at the Elementary School. Coronation of the queen is set at 9:00 p. m., which is the main feature of the carnival.

She and her escort will be chosen from room queens and escorts. Votes are 1c each.

Elementary P-TA will have the refreshments concession in the cafeteria.

Chickens become fowls at the age of one year.

### Wire Enclosure Added To Football Stadium

Spectators at the Hamlin-Colo-rado City football game got their first view of the new cyclone-type wire fence which enclosed the playing field.

The new enclosure surrounds the playing field on all sides and posts are set in concrete to provide permanence.

Modern-type gates permit access and still will keep children from the field while games are in progress.

### Photographer Snaps Photos for Annual

A photographic firm was busy at Hamlin High School Tuesday as pictures were remade from previous failures for use in the annual which will be issued in May.

Girls groups, boys groups and the student council; National Honor Society, Glee Club, Piper staff, annual staff and the Junior Literary society were among those snapped.
